3/15/22

Dear Commission,

As per the contract with MDI, they are entitled to a 4% increase due to the CPI increase over the last year. This will result in an increase in expense by \$22,158.50 through FY 2022.

There is a shortfall in anticipated revenue due to the "grandfathering" of yearly customers in the amount of approximately \$200,000.

Therefore, at this time we need to adjust the solid waste budget by \$222,155.50, out of fund balance, to last through this fiscal year.

Note: Another budget adjustment is still to come due to the contract diesel fuel adjustment of 3% for each full dollar increase over the \$2.761 base price, calculated January 1st and July 1st of each year.

Sincerely,

Derek Brewer, P.E.

RE: Discount Elimination Request

Dear Dale County Commissioners:

At this time we are requesting that the commission eliminate the 5% (\$10.80) annual payment discount effective March 31, 2022. This change will facilitate billing and eliminate both existing and future issues as well as eliminate confusion for the solid waste customers.

All existing annual customers that received their discount will be honored throughout the term of their payment year.

Sincerely,

Derek Brewer, P.E.
